

The following is a brief listing of cell types that have been successfully cultured in Protide Pharmaceuticals, Inc.'s defined serum replacement products TCM™ and TM-235™. This list represents the versatility of the Protide products and by no means should it be considered a complete list.

If you require additional information regarding the adaption of your cell lines to either TCM™ or TM-235™, please feel free to contact our Technical Service Department and speak with our experienced staff of cell biologists.

Cell Type List

3T3 (Mouse Embryo)	PK15 (Porcine Kidney)
A375 (Human Malignant Melanoma)	QT6 (Quail)
A549 (Human Lung Carcinoma)	Raji (Human Lymphoma)
AMRC-5 (Human Lung)	Rabbit Cornea
Avian (Chicken and Turkey)	SK-MES-1 (Human Squamous Carcinoma)
B16BL6 (Mouse Malignant Melanoma)	Swine Testicle Prostate
B16F10 (Mouse Malignant Melanoma)	THPI (Human Macrophage)
B95-8 (Marmoset EBV Transformed leukocytes)	Transformed Rat Fibroblast
Bovine Adrenal Cells	UMR 106 and 108 (Rat Osteogenic Sarcoma)
Caco-2 (Adenocarcinoma, Colon, Human)	Vero (African Green Monkey Kidney)
Chicken Fibroblasts	WIL-2-729-HF-2 (Human B-Lymphoblast)
CHO (Chinese Hamster Ovary)	
CRFK (Feline Kidney)	
CTLL-2 (T-Cell Mouse Tumor)	
DU 145 (Human Carcinoma, Prostate, Metastasis to Brain)	Myelomas and Derived Hybridomas
H9 Human Lymphocytes	P3/NSI/1-Ag4-1 (Mouse)
HeLa (Cervix, Human)	P3X63 Ag 8.653 (Mouse)
HEP-2 (Human Carcinoma)	SP 2/0-Ag-14 (Mouse)
Human Lymphocytes infected with HIV I or HIV II	
L929 (Mouse Fibroblast)	
Lesch-Nyhan Syndrome	
LNCaP (Metastatic Adenocarcinoma, Human)	Primary Cells
Lymphoblast	Amphibian Renal Cells
MCF-7 (Human Breast Adenocarcinoma)	Bovine Adrenal Cells
MDBK (Bovine Kidney)	Bovine Aorta Endothelial
MDCK (Canine Kidney)	Bovine Kidney
MEL III (Rhesus Mammary Gland)	Embryonic Chick Heart
MEL-14 (Antilymphocyte Surface Receptor for Endothelium)	Human Ventricle
MT4 (Human Lymphocyte)	Mussel Cells, Freshwater Glochidia (larvae)
NCI-H69 (Human Small Cell Carcinoma)	Neuronal Cultures
Neuroblastomas	Prostate Carcinoma
P3HR-1 (Human Burkitt Lymphoma)	Stomach Epithelial
PC-12 (Adrenal Pheochromocytoma, Rat)	Type II Epithelial-lung
